- Enable alumni involvement in institutes
- Next Gen skill building for Start-up India, Make in India and Digital India
- Focus areas
 - Transition from IC engine based to electrical driven vehicles
 - Affordable Agriculture
 - IOT & Analytics for Smart City

Preamble

The IEEE Pune Section, in its attempt reach out to all its members and involve them in all its activities, is administering awards under various categories. Through its Awards Program, IEEE Pune Section shall advance the interests of its members by recognizing their contributions in advancing the fields of interest to IEEE to the benefit of society. By this means, the image and prestige of the organization, its members, and the profession are all enhanced. The IEEE Pune Section Award Program honors members and other professionals for their service to society.

The IEEE Pune Section Awards shall be awarded for contributions towards spread of technology and outstanding performance in specific fields of interest of the IEEE.

These awards may be presented annually when, in the judgment of the Awards Committee, suitable candidates / branches are available. These awards may be presented during one of the major events happening around year end such as PuneCon or Pune Section AGM.

All the participants will be given a CERTIFICATE duly signed by the IEEE Pune Section Chair and a MEMENTO.
