

# Meeting Report

**Date:** July 14, 2018

**Time:** 4.30 pm to 7 pm

**Venue:** Kelkar Museum, Pune

## Summary

The Seventh Execom meeting of IEEE Pune Section for the year 2018 was held at Raja Dinkar Kelkar Museum, Pune on Sat, 14<sup>th</sup> July. The Museum is a popular tourist attraction of Pune city and has an great collection of beautiful artifacts representing the rich cultural heritage of our country. A tour of the museum was organized prior to the meeting. It was a very memorable experience for the Execom members who appreciated the newly renovated halls and well curated museum artifacts.

The meeting began with a welcome note by Mr Sudhanva Ranade, Director of Kelkar Museum. He shared a brief history of the museum and narrated his experience of managing the museum operations. The main focus of the discussions that followed was around how IEEE Pune Section along with its Student Branches could contribute towards modernization efforts and branding of the museum.

It was agreed to sign a MoU between IEEE Pune Section and Kelkar Museum to,

1. encourage and consider Raja Dinkar Kelkar museum as cultural /heritage partner in prominent IEEE initiatives of Pune Section ,
2. encourage visit to the museum by IEEE members of the section, guests during various IEEE events
3. Support the museum's digital initiatives with support from student branch members (Website, social media strategy, and branding, promotional activities).

Post this discussion, the Execom continued with the discussion of other agenda items.
